

Scholarship

for a study period in Kiel 2022/23

Within the scope of the city partnership, Kiel University of Applied Sciences will award a scholarship to students from our partner universities to study in Kiel during the winter term 2022/23 and/or summer term 2023.

The scholarship is available to 2nd or 3rd year business, engineering, media or social work/therapy students or to Masters students. Some courses are offered also in English. The Land Capital Kiel hopes to be able to provide the scholars with guidance during their stay in Kiel and to involve them in the cultural and socio-political life.

Language requirements: English (B 2); German (B 2).

Students should be willing to take part in a German language course during their stay.
