

# Call for STUDENTS

FOR THE ERASMUS+ BLENDED INTENSIVE PROGRAM [STUDENT BIP] ON SUSTAINABLE URBAN DEVELOPMENT

This short-time ERASMUS+ program is a hybrid exchange that lasts 3 months and includes an on-site project week in Vienna from 14.-18. October 2024! See all mandatory dates and meetings below (end of page).

Students from BOKU University (Austria), FH Kiel (Germany) and UPV (Spain) will work in interdisciplinary teams on:

- Liveable neighborhoods
- Green Infrastructure
- Active Mobility

Like any Erasmus+ program the [STUDENT BIP] focuses on cross-disciplinary training and multi-cultural learning. This is encouraging exchange on various levels and offers insights into other planning traditions including urban analysis and reflection from different angles.

### To be eligible for a BIP you need:

1. Letter of acceptance from the awarding institution
2. Language proof for English B2 level
3. Transcript of records with GPA < 2.8
